

American Mounties with Cindy Kovack

In this class you will learn the basics of paper clay sculpting. These small “Mounties” are simply adorable on the wall, or a shelf, and have the greatest personalities. Learn to build an armature to hold your clay, clay application, acrylic painting, and wood staining.

Cindy will instruct you in forming your armature to give your clay piece a lifelike look. You will paint and colorize your clay animal, learning to shade, highlight and add dimensional pieces, including mixed media.

Kick back and enjoy this very fun, very creative workshop while learning how to easily sculpt paper clay.

Some supplies are provided by the instructor for a \$10 fee paid at the beginning of class.
